

VETERANS' HOLIDAY CELEBRATION

A dream you dream alone is only a dream.

A dream you dream together is a reality.

- John Lennon -

Dear Friend:

For the past twenty four years we have created an amazing event at the VA facility in West Los Angeles. This year, on December 3rd, 2017, we will continue our legacy of providing meals, gifts, entertainment and a huge holiday party. We will serve over 4,000 veterans this year. Your support is much needed and deeply appreciated.

I wish that you could see the faces of the vets when they see all of the love and care made possible by the generous donations from companies like yours. For many of the vets this is the only time of the year when they truly feel the sense of love and family.

The hundreds of people who help make the Veterans' Holiday Celebration possible have one thing in common; their desire to give back to the men and women who have given so much to serve our country. More importantly, no matter what amount you donate, large or small, you will be letting these vets know that you care about and respect them.

By sponsoring this event, you and your company will gain positive public promotion as local families and other business owners recognize your support of a valuable community endeavor.

I want to personally thank you in advance for sharing our vision of providing meals, gifts, hope, healing, strength and love to all our veterans at the 25th Annual Veterans' Holiday Celebration.

If you have any questions, please feel free to contact me directly at (866) 955-VETS(8387) or email info@vhcevent.org

Thank you for your prompt and generous response.

Sincerely,

Dov Cohen
